## **In the Name of Allah, The Most Gracious, The Most Merciful**

December 3, 2015

Salaamun Alaikum

Anjuman e Ahlebait unequivocally condemns the violent horrific mass killing of innocent civilians in San Bernardino, California. This violent repugnant act is a crime against all humanity.

Our sympathies are with the families of the victims and we pray for their strength and patience so they can get through this terrible tragedy. Islam teaches us that all lives are precious and rejects any act of oppression and taking of a life.

Itemas e Dua
