Peace be on you.

People are either your brother in faith, or your equal in humanity. -Imam Ali

We (Jews, Christian and Muslims) call Abraham our father and ancestor, and from this familial bond of faith we as Muslims are deeply saddened by the horrific act of desecration against Chesed Shel Emeth Cemetery, and the bomb threats against Jewish community centers.

Our community stands in complete solidarity with the Jewish-American community to condemn this horrific act. We also extend our deepest condolences to all those who have been affected and to the Jewish community at large.

There is no place for this type of hate, desecration, and violence. We pray to the Almighty to restore a sense of security and peace to the Jewish-American community that has been shaken by this event.

We will overcome!

In peace,

Members of Anjuman e Ahlebajt
