We feel the pain

Anjuman e Ahle Bayt strongly condemns the wanton act of terror in New York City, and conveys its condolences to the families and friends of those who lost their lives. We pray for the quick recovery of those who were injured by this vile act.

Anjuman abhors all acts of terrorism, and particularly those committed in the name of Islam as these acts tarnish the message of peace which Islam provides. These reprehensive acts of hate and violence have no place in a society like ours. Perpetrators of this act of terror need to be brought to justice.

May Allah, The Almighty, protect us from all that is evil and shower his blessings upon us all.
